

**IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF VIRGINIA
RICHMOND DIVISION**

UNITED STATES OF AMERICA

v.

GORDON G. MILLER, III,

Defendant.

Case No. 3:20CR109

PLEA AGREEMENT

Raj Parekh, Acting United States Attorney for the Eastern District of Virginia; Katherine Lee Martin and Kevin S. Elliker, Assistant United States Attorneys; the defendant, GORDON G. MILLER, III; and the defendant's counsel have entered into an agreement pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure. The terms of this Plea Agreement are as follows:

1. Offense and Maximum Penalties

The defendant agrees to waive indictment and plead guilty to a three-count criminal information charging the defendant with, in Count One, Wire Fraud, in violation of 18 U.S.C. § 1341; in Count Two, Engaging in an Unlawful Monetary Transaction, in violation of 18 U.S.C. § 1957; and in Count Three, Receipt of Child Pornography, in violation of 18 U.S.C. § 2252A(a)(2)(A). The maximum penalties for the Wire Fraud offense are: a maximum term of 20 years of imprisonment, a fine of \$250,000, or not more than the greater of twice the gross gain or gross loss derived by any person from the offense, full restitution, forfeiture of assets as outlined below, a special assessment, and three years of supervised release. The maximum penalties for

the Engaging in an Unlawful Monetary Transaction offense are: a maximum term of 10 years of imprisonment, a fine of \$250,000, or twice the amount of the criminally derived property involved in the transaction, full restitution, forfeiture of assets as outlined below, a special assessment, and three years of supervised release. The maximum penalties for Receipt of Child Pornography are: a mandatory minimum term of 5 years of imprisonment, a maximum term of 20 years of imprisonment, a fine of \$250,000, full restitution, forfeiture of assets as outlined below, a special assessment, and a mandatory minimum of five years of supervised release and a maximum of lifetime supervised release. The defendant understands that any supervised release term is in addition to any prison term the defendant may receive, and that a violation of a term of supervised release could result in the defendant being returned to prison for the full term of supervised release.

2. Detention Pending Sentencing

The defendant understands that this case is governed by 18 U.S.C. §§ 3143(a)(2) and 3145(c). These provisions provide that a judicial officer shall order that a person who has been found guilty of an offense of this kind be detained unless there are statutory justifications why such person's detention would not be appropriate.

3. Factual Basis for the Plea

The defendant will plead guilty because the defendant is in fact guilty of the charged offense. The defendant admits the facts set forth in the Statement of Facts filed with this Plea Agreement and agrees that those facts establish guilt of the offense charged beyond a reasonable doubt. The Statement of Facts, which is hereby incorporated into this Plea Agreement, constitutes a stipulation of facts for purposes of Section 1B1.2(c) of the Sentencing Guidelines.

4. Assistance and Advice of Counsel

The defendant is satisfied that the defendant's attorney has rendered effective assistance. The defendant understands that by entering into this Plea Agreement, defendant surrenders certain rights as provided in this agreement. The defendant understands that the rights of criminal defendants include the following:

- a. the right to plead not guilty and to persist in that plea;
- b. the right to a jury trial;
- c. the right to be represented by counsel—and, if necessary, have the court appoint counsel—at trial and at every other stage of the proceedings; and
- d. the right at trial to confront and cross-examine adverse witnesses, to be protected from compelled self-incrimination, to testify and present evidence, and to compel the attendance of witnesses.

5. Sentencing Guidelines, Recommendations, and Roles

The defendant understands that the Court has jurisdiction and authority to impose any sentence within the statutory maximum described above, but that the Court will determine the defendant's actual sentence in accordance with 18 U.S.C. § 3553(a). The defendant understands that the Court has not yet determined a sentence and that any estimate of the advisory sentencing range under the U.S. Sentencing Commission's Sentencing Guidelines Manual the defendant may have received from the defendant's counsel, the United States, or the Probation Office, is a prediction, not a promise, and is not binding on the United States, the Probation Office, or the Court. Additionally, pursuant to the Supreme Court's decision in *United States v. Booker*, 543 U.S. 220 (2005), the Court, after considering the factors set forth in 18 U.S.C. § 3553(a), may impose a sentence above or below the advisory sentencing range, subject only to review by higher courts for reasonableness. The United States makes no promise or representation

concerning what sentence the defendant will receive, and the defendant cannot withdraw a guilty plea based upon the actual sentence.

Further, in accordance with Federal Rule of Criminal Procedure 11(c)(1)(B), the United States and the defendant stipulate and will recommend to the Court that the applicable advisory Guidelines range for these offenses (after grouping) is 108 to 135 months. Moreover, the United States agrees not to recommend a total sentence of more than 151 months.

The United States and the defendant further agree that the defendant has assisted the government in the investigation and prosecution of the defendant's own misconduct by timely notifying authorities of the defendant's intention to enter a plea of guilty, thereby permitting the government to avoid preparing for trial and permitting the government and the Court to allocate their resources efficiently. If the defendant qualifies for a two-level decrease in offense level pursuant to U.S.S.G. § 3E1.1(a) and the offense level prior to the operation of that section is a level 16 or greater, the government agrees to file, pursuant to U.S.S.G. § 3E1.1(b), a motion prior to, or at the time of, sentencing for an additional one-level decrease in the defendant's offense level.

The United States and the defendant have not agreed on any further sentencing issues, whether related to the Sentencing Guidelines or the factors listed in 18 U.S.C. § 3553(a), other than those set forth above or elsewhere in this Plea Agreement. Any stipulation on a Guidelines provision does not limit the parties' arguments as to any other Guidelines provisions or sentencing factors under Section 3553(a), including arguments for a sentence within or outside the advisory Guidelines range found by the Court at sentencing.

6. Waiver of Appeal, FOIA, and Privacy Act Rights

The defendant also understands that 18 U.S.C. § 3742 affords a defendant the right to appeal the sentence imposed. Nonetheless, the defendant knowingly waives the right to appeal the conviction and any sentence within the statutory maximum described above (or the manner in which that sentence was determined) on the grounds set forth in 18 U.S.C. § 3742 or on any ground whatsoever other than an ineffective assistance of counsel claim that is cognizable on direct appeal, in exchange for the concessions made by the United States in this Plea Agreement. This agreement does not affect the rights or obligations of the United States as set forth in 18 U.S.C. § 3742(b). The defendant also hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act, 5 U.S.C. § 552a.

7. Immunity from Further Prosecution in This District

The United States will not further criminally prosecute the defendant in the Eastern District of Virginia for the specific conduct described in the Information or Statement of Facts. This Plea Agreement and Statement of Facts does not confer on the defendant any immunity from prosecution by any state government in the United States.

8. Dismissal of Other Counts

As a condition of the execution of this agreement and the Court's acceptance of the defendant's plea of guilty, the United States will move to dismiss the pending indictments against this defendant (3:20cr109 and 3:20cr116) at the conclusion of this defendant's sentencing hearing.

9. Payment of Monetary Penalties

The defendant understands and agrees that, pursuant to 18 U.S.C. § 3613 and 18 U.S.C. § 3572, all monetary penalties imposed by the Court, including restitution, will be due immediately and subject to immediate enforcement by the United States as provided for in Section 3613. Within 14 days of a request, the defendant agrees to provide all of the defendant's financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination and/or complete a financial statement under penalty of perjury. If the Court imposes a schedule of payments, the defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment. Until all monetary penalties are paid in full, the defendant will be referred to the Treasury Offset Program so that any federal payment or transfer of returned property to the defendant will be offset and applied to pay the defendant's unpaid monetary penalties. If the defendant is incarcerated, the defendant agrees to participate voluntarily in the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments. Defendant agrees to make good-faith efforts toward payment of all monetary penalties imposed by the Court.

10. Special Assessment

Before sentencing in this case, the defendant agrees to pay a mandatory special assessment of \$100 per felony count of conviction, pursuant to 18 U.S.C. § 3013(a)(2)(A).

The defendant further understands and agrees that, pursuant to 18 U.S.C. § 3014, if the Court should find that the defendant is non-indigent, the Court shall impose an additional special assessment on the defendant of \$5,000 per count of conviction for each offense listed in Section

3014(a). However, that special assessment shall not be payable until the defendant has satisfied all outstanding court-ordered fines, orders of restitution, and any other obligation related to victim compensation arising from the criminal convictions on which the special assessment is based.

The defendant further understands and agrees that, pursuant to 18 U.S.C. § 2259A, in addition to any other criminal penalty, restitution, or special assessment authorized by law, the Court shall impose on the defendant any applicable special assessments per count of conviction for each offense listed in Section 2259A(a) after considering the factors set forth in Sections 3553(a) and 3572. However, imposition of an assessment under Section 2259A does not relieve a defendant of, or entitle a defendant to reduce the amount of any other penalty by the amount of the assessment. Any money received from a defendant shall be disbursed based on the sequence listed in Section 2259A(d)(2).

11. Restitution

As to Count 1 of the Information, the defendant agrees that restitution is mandatory pursuant to 18 U.S.C. § 3663A(c)(1), and the defendant agrees to the entry of a Restitution Order for the full amount of the victims' losses as determined by the Court. Pursuant to 18 U.S.C. § 3663A(c)(2), the defendant further agrees that an offense listed in Section 3663A(c)(1) gave rise to this Plea Agreement and, as such, victims of the conduct described in any charging instrument, including the Indictment; the Statement of Facts; or any related or similar conduct shall be entitled to restitution.

As to Count 3 of the Information, the defendant agrees that restitution is mandatory pursuant to 18 U.S.C. §2259. The defendant agrees to the entry of a Restitution Order for the full amount of the victims' losses as those losses are defined by 18 U.S.C. §2259(c)(2). Pursuant

to 18 U.S.C. § 3663(a)(3), the defendant agrees that victims of the conduct described in the charging instrument, statement of facts or any related or similar conduct are victims within the meaning of 18 U.S.C. § 2259(c) and are entitled to restitution. The defendant understands that, pursuant to 18 U.S.C. 2259(b)(2)(C), the Court must order restitution to each victim in an amount not less than \$3,000.

The defendant understands that forfeiture and restitution are separate and distinct financial obligations that must be imposed upon a criminal defendant. The defendant further understands that restitution will be enforced pursuant to 18 U.S.C. § 3572, 18 U.S.C. § 3613, and 18 U.S.C. § 3664(m).

The parties acknowledge that determination of the identities, addresses, and loss amounts for all victims in this matter is a complicated and time-consuming process. To that end, defendant agrees that, pursuant to 18 U.S.C. § 3664(d)(5), the Court may defer the imposition of restitution until after the sentencing; however, defendant specifically waives the 90-day provision found at Section 3664(d)(5) and consents to the entry of any orders pertaining to restitution after sentencing without limitation.

12. Forfeiture Agreement

The defendant understands that the forfeiture of assets is part of the sentence that must be imposed in this case. The defendant agrees to forfeit all interests in any child pornography-related and fraud-related asset that the defendant owns or over which the defendant exercises control, directly or indirectly. This includes any property that is traceable to, derived from, fungible with, or a substitute for the proceeds of these offenses. The defendant agrees that the assets subject to forfeiture include, but are not limited to, the following specific property:

A sum of at least \$1,300,000, representing the proceeds personally obtained by this defendant;

- a Seagate external hard drive, serial number NA7EBDDQ;
- a Buffalo Link Station storage device, serial number 45822780302333;
- a Microsoft Surface Laptop, serial number 028388691757;
- a Buffalo external hard drive, serial number 8003934100132;
- a Seagate 1 TB external hard drive, serial number NAOC7532;
- a Apple MacBook Air, Model A1465, serial number CO2NPF23GO83;
- a 16GB USB Drive, black and silver;
- four 256 GB Sandisk USB drives with serial numbers 4C530001201020112414, 4C530001141020112430, 4C530001101213108270, and 4C530001101213112122;
- a Seagate Portable Drive 2TB, serial number NAA5L8DQ;
- a Mac Mini, serial number C07K20RSDWYN;
- a Sony Model PCG-481L, serial number 281326303202592;
- a HP Touchsmart PC Laptop, serial number 3CF841H6V;
- a HP Computer Tower, serial number 3CR81303RF; and
- a Dell Alienware Computer Tower (silver/black), serial number YJB1042943016708C.

The defendant understands that if the assets subject to forfeiture are not available to the United States to be forfeited, the Court must enter a forfeiture money judgment in the amount of the unavailable assets. *United States v. Blackman*, 746 F.3d 137 (4th Cir. 2014). The defendant acknowledges that as a result of defendant's acts or omissions, the actual proceeds the defendant obtained as a result of the offense (at least 1,300,000) are not available and the defendant stipulates that one or more of the factors listed at 21 U.S.C. § 853(p)(1) are present in this case.

The defendant further agrees to waive all interest in the asset(s) in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of

Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. Defendant admits and agrees that the conduct described in the charging instrument and Statement of Facts provides a sufficient factual and statutory basis for the forfeiture of the property sought by the government.

13. Waiver of Further Review of Forfeiture

The defendant further agrees to waive all constitutional and statutory challenges to forfeiture in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. The defendant also waives any failure by the Court to advise the defendant of any applicable forfeiture at the time the guilty plea is accepted as required by Rule 11(b)(1)(J). The defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding. The defendant understands and agrees that all property covered by this agreement is subject to forfeiture as proceeds of illegal conduct and substitute assets for property otherwise subject to forfeiture, as well as property used to facilitate or commit the offense.

14. The Defendant's Obligations Regarding Assets Subject to Forfeiture

Upon request by the government, the defendant agrees to identify all assets in which the defendant had any interest or over which the defendant exercises or exercised control, directly or indirectly, within the past five from the date of the defendant's signature on this Plea Agreement. The defendant agrees to take all steps as requested by the United States to obtain from any other parties by any lawful means any records of assets owned at any time by the defendant. The

defendant agrees to undergo any polygraph examination the United States may choose to administer concerning such assets and to provide and/or consent to the release of the defendant's tax returns for the previous five years. The defendant understands that the proceeds of the offense(s) are subject to forfeiture and cannot be used for any purpose, to include attorney's fees and living expenses.

15. Sex Offender Registration and Notification Act

The defendant has been advised, and understands, that under the Sex Offender Registration and Notification Act, a federal law, the defendant must register and keep the registration current in each of the following jurisdictions: where the defendant resides; is an employee; or is a student. The defendant understands that the requirements for registration include providing true name, residence address, and names and addresses of any places where the defendant is or will be an employee or a student, among other information. The defendant further understands that the requirement to keep the registration current includes informing at least one jurisdiction in which the defendant resides, is an employee, or is a student not later than three business days after any change of the defendant's name, residence, employment, or student status. The defendant has been advised, and understands, that failure to comply with these obligations subjects the defendant to prosecution for failure to register under federal law, 18 U.S.C. § 2250, which is punishable by a fine or imprisonment, or both.

16. Breach of the Plea Agreement and Remedies

This Plea Agreement is effective when signed by the defendant, the defendant's attorney, and an attorney for the United States. The defendant agrees to entry of this Plea Agreement at the date and time scheduled with the Court by the United States (in consultation with the defendant's attorney). If the defendant withdraws from this agreement, or commits or attempts

to commit any additional federal, state, or local crimes, or intentionally gives materially false, incomplete, or misleading testimony or information, or otherwise violates any provision of this agreement, then:

- a. The United States will be released from its obligations under this agreement. The defendant, however, may not withdraw the guilty plea entered pursuant to this agreement.
- b. The defendant will be subject to prosecution for any federal criminal violation, including, but not limited to, perjury and obstruction of justice, that is not time-barred by the applicable statute of limitations on the date this agreement is signed. Notwithstanding the subsequent expiration of the statute of limitations, in any such prosecution, the defendant agrees to waive any statute-of-limitations defense.
- c. Any prosecution, including the prosecution that is the subject of this agreement, may be premised upon any information provided, or statements made, by the defendant, and all such information, statements, and leads derived therefrom may be used against the defendant. The defendant waives any right to claim that statements made before or after the date of this agreement, including the Statement of Facts accompanying this agreement or adopted by the defendant and any other statements made pursuant to this or any other agreement with the United States, should be excluded or suppressed under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), the Sentencing Guidelines, or any other provision of the Constitution or federal law.

Any alleged breach of this agreement by either party shall be determined by the Court in an appropriate proceeding at which the defendant's disclosures and documentary evidence shall be admissible and at which the moving party shall be required to establish a breach of this Plea Agreement by a preponderance of the evidence.

17. Nature of the Agreement and Modifications

This written agreement constitutes the complete plea agreement between the United States, the defendant, and the defendant's counsel. The defendant and the defendant's attorney acknowledge that no threats, promises, or representations have been made, nor agreements reached, other than those set forth in writing in this Plea Agreement or any associated documents

filed with the Court, to cause the defendant to plead guilty. Any modification of this Plea Agreement shall be valid only as set forth in writing in a supplemental or revised plea agreement signed by all parties.
